INFORMATION

The Event of the Year goes to a sporting event held in South Australia (SA) in the 12 months to September 30, 2023. A nominated event may involve local, regional, state, national or international competitors, single or multi-sports, and be contested by individuals and teams, professionals or amateurs. Above all, it has to set itself apart from other events through its high standard of organisation and its resounding success.

The event must demonstrate a significant impact on community values, awareness of the sport, or significant economic benefits. The state organisation must show true involvement in the event.

Nominations should address the following criteria

- Nominated events must be held within SA.
- Display the extent, impact, and significance of the contribution to the event to SA sport.
- Community impact and benefits.
- Media coverage.

Notes

- The Organisation must be a Sport SA member or a club affiliated with a Sport SA member. Club nominations must be endorsed by the State Sporting Organisation (which is a member of Sport SA).

This is only required if the nominating organisation is not the State Sporting Organisation.
