PRESIDENT'S REPORT

This year has seen the continued implementation of our new programs of work, with thanks to the Premier and the Malinauskas Government for their generous support. The Governance Reform Project, Festival of Sport Industry Conference, Marjorie Jackson-Nelson Centre for Women's Sport and increased Training and Education programs have been very well received by members and the broader sporting community.

These new programs have complimented our ongoing program of work in supporting and advocating for our members in times of need, along with the South Australian Sport Awards, South Australian Masters Games and Hall of Fame events.

Pleasingly, the financial performance of the organisation is in a very strong position with a surplus being achieved this year. This is through strong planning and fiscal management from Leah with solid support from the Finance and Risk committee chair, Andrew Witts as well as our external accountant Mary-Ann Trevaskis. My thanks to all of them for this result. To that end I also thank Andrew for his service to Sport SA since 2022 as he reluctantly steps down due to ill health. Andrew's wealth of experience in international finance has been of enormous benefit to the Board and in particular his support and guidance of Leah at the Board and operational level has been outstanding.

The many highlights of the year have been captured throughout this annual report which I commit to you. In doing so I wish to thank Leah and all of the staff and volunteers at Sport SA, who work tirelessly to provide amazing programs and services to our members.

I would also like to recognise and thank our dedicated and professional Board, including Vice Chair Dr Mark Giancaspro, Finance and Risk Chair Andrew Witts and Director's Pat Mikan, Alex Hammet, Mike Schetter, Sally Underdown and John Holland.

As I reflect on my ten years of service on the Sport SA Board, nine of those as President I am pleased to be leaving the organisation in a much better place than when I commenced, and I am very confident about the future of the organisation. It has been an absolute privilege and pleasure to serve on the Board supporting Sport SA members and sporting industry more broadly. I wish you all the very best for the years to come, you are in very safe hands.

HON. MICHAEL WRIGHT

President
Sport SA

CHIEF EXECUTIVE OFFICER'S REPORT

2023-24 was another very busy year with a range of events and services supporting our members and the broader industry.

The South Australian Sport Awards, Hall of Fame, Masters Games and continued implementation of our election commitment projects has made for a full calendar of offerings.

None of this would have been possible without our very supportive board, including our retiring chair Michael Wright and our staff. This year we welcome Sophie Kinnear in a Communications and Events role, Marie Docking, supporting administration across the organisation, Kelly Rourke in Education and Training and Juliet Haslam OAM OLY in the Marjorie Jackson-Nelson Centre for Women's Sport. The addition of these new staff members has enhanced the services and support we are able to offer our members and I thank each of them as well as Julie Anderson and our wonderful volunteers Jill George, Debbie Ashcroft and Tony Hall for their outstanding work.

Our partners continue to play a vital role in events in particular so my enormous thanks to each of them, we could not do what we do without your support.

Finally, as he ends his ten-year tenure with Sport SA I want to give my thanks to Michael, not just for this year but for all of the six years I have been in the role. Throughout that time Michael's support for me and for the work we have undertaken to grow Sport SA has been unwavering. He has been a constant sounding board, a thoughtful leader and a caring supporter in the sometimes-difficult periods. This support will be greatly missed as will Michael's outstanding knowledge of the sector. We know he won't be leaving us completely as we welcome him in several roles for Sport SA but we wish him all the very best in his now increased leisure time. Thank you Michael.

LEAH CASSIDY

Chief Executive Officer
Sport SA

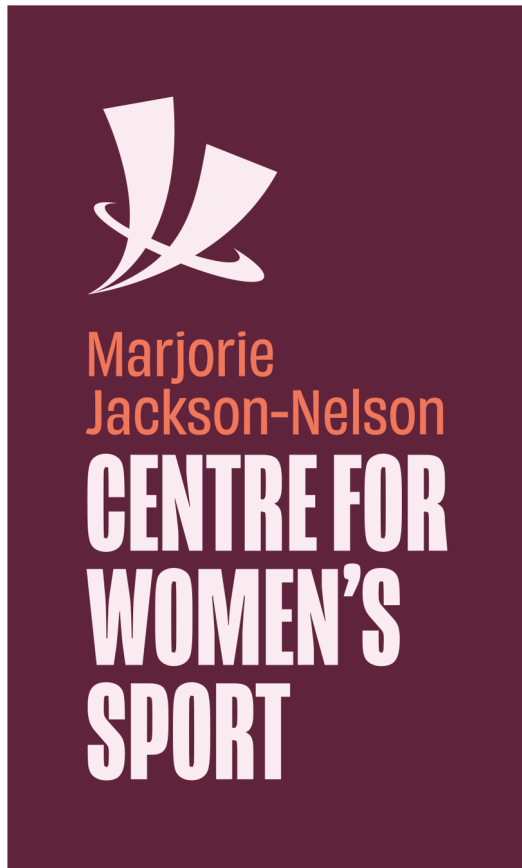

ADVOCACY AND SUPPORT

Advocacy and support remains at the core of our purpose at Sport SA and this year we continued to work with government to ensure the voice of the industry was heard. Multiple meetings were held with Minister Hildyard to ensure industry voice and concerns are being heard. Meetings with the Opposition spokesperson also occurred and Sport SA was represented on the Local Government Sport and Recreation Forum, providing an avenue for understanding of issues at the local government level.

In addition:

- Daily phone and email support to members on multiple issues.
- Regular meetings with Community Sport Australia and Sport Australia to advocate for the value of sport at the national level.
- Multiple presentations to the Women in Sport Taskforce advocating for more women in leadership positions across all facets of sport.
- An industry Jobs Board for members to promote vacant positions and industry to have a one-stop-shop for searching for vacancies.

The establishment of the Marjorie Jackson-Nelson Centre for Women's Sport has positioned South Australia as a national leader in women's sport; empowering and connecting athletes, coaches, officials, administrators and board members across sport to develop expertise and skills to realise their potential.

There are 8 core modules:

- Leadership
- People, culture & environment
- Media, social media
- Psychology, mental fitness
- Empowerment & connection
- Physical, well-being & self
- Financial literacy
- Social, nutrition, sport integrity, diversity and inclusion

and up to 4 elective modules in the program that are conducted over 12 months. Elective modules take place following the core modules. The electives are determined relevant to further gaps identified throughout the year and by the participants.

The inaugural program will conclude in November 2024, with the graduation of the inaugural participants hosted at Government House. There are 40 participants in the first program across 21 sports and a further 38 participants from across 20 sports in the second program. The second program will conclude in August 2025.

MARJORIE JACKSON-NELSON CENTRE FOR WOMEN'S SPORT TESTIMONIALS

"The program has been so exciting and empowering; it has allowed me to gain new skills to achieve the things I want to achieve for myself and for my sport".

"What I love about the Marjorie Jackson-Nelson Centre for Women's Sport program is that it brings together women of different ages, different sporting environments and different backgrounds and provides an opportunity to develop, network and talk about their challenges."

ALUMNAE

An Alumnae will be established at the conclusion of the inaugural program. The Alumnae will continue to engage with graduates of the Centre for Women's Sport to ensure the relationship between participants and the Centre are not lost at graduation.

FOR THE YEAR ENDED 30 JUNE 2024

1. Summary of Significant accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a. This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act and the members of the Incorporated Association.

The financial report has been prepared in accordance with the requirements of the following Australian Accounting Standards:

AASB 1016: Leases

MSB1031: Materiality

AASB110: Events after the Balance Sheet Date

No other Australian Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of noncurrent assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

b. Property, Plant and Equipment Property, plant and equipment are carried at cost. All assets, excluding freehold land and buildings, are depreciated over their useful lives to the Incorporated Association.

c. Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

d. Finance leases are capitalised by recognising an asset and a liability at the lower of the amount equal to the fair value of the leases property or the present value of the minimum lease payments. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period. Lease assets are depreciated on a straight-line bases over their lease term.

Finance & Risk Committee
South Australian Sports Federation Inc.

Dear Committee members,

As appointed auditor on the financial statements for the year ended 30th June 2024 I am obliged to express to you the committee, my view on the presentation of the financial report and internal controls as a whole. I am very comfortable with the way the financial report for the year has been presented, and I believe that the figures have been appropriately represented and are a true and fair view of what has occurred during the year.

I also wish to express my satisfaction with the way the records are kept and would like to thank the Mary-Anne Trevaskis for her helpfulness during the audit.

There is one item that came to my attention during the audit:

Internal Controls on Credit Card spending

In my review of the internal controls of the organisation and spending it has come to my attention that there is no real internal controls around the credit card. I believe it would be appropriate for formal policies to be created about the approval and spending on these cards and documenting evidence in relation to the spending.

Other than the above issues, there are no other items that have come to my attention.

Please feel free to contact me at any time should you wish to discuss any aspect of the audit or have any areas of concern.

Yours faithfully,

CHRIS SHAW
Principal – Shaw Accounting Pty Ltd

INDEPENDENT AUDITOR'S REPORT

FOR THE YEAR ENDED 30 JUNE 2024

Independent Auditors Report to the members of the Association

We have audited the accompanying financial report, being a special purpose financial report, of Sport SA (the association), which comprises the committee's report, the assets and liabilities statement as at 30 June 2024, the income and expenditure statement for the year then ended, cash flow statement, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

Committee's Responsibility for the Financial Report

The committee of Sport SA is responsible for the preparation and fair presentation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012 and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Sport SA as at 30 June 2024, and its financial performance for the year then ended in accordance with the Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Act 2012.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Sport SA to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012. As a result, the financial report may not be suitable for other purposes.
