# WELCOME TO THE 29TH MASTERS GAMES!

## Welcome to Victor Harbor, where the ocean meets opportunity, and welcome to the SA Masters Games.

It is an honour to host you in our vibrant coastal city for this inspiring celebration of sport, connection and community spirit. Set against the sweeping coastline, granite headlands and fresh sea air that define Victor Harbor, the Masters Games captures the very essence of our region – active, welcoming and full of life.

Victor Harbor is a place shaped by nature and strengthened by community. Our Community Plan places liveability and wellbeing at the heart of our future, recognising that thriving communities are built on connection, participation and shared experiences. Over the Games, you will see that vision in action across our beaches, reserves and sporting venues as athletes of all ages demonstrate resilience, determination and joy.

The SA Masters Games reflects what we value most: staying active, supporting one another and embracing every stage of life with energy and optimism. Here, the coastal landscape invites you to breathe deeply, move freely and experience the benefits of sport not just as competition, but as wellbeing.

Beyond the field of play, I encourage you to explore all that Victor Harbor has to offer, from our stunning shoreline and local flavours to the warmth of our community. Events like this strengthen our local economy, energise our public spaces and showcase Victor Harbor as a premier coastal destination.

Thank you to the organisers, volunteers and supporters who have brought this event to life. I hope all participants compete boldly, connect deeply and enjoy every moment by the sea.

## Welcome to Victor Harbor. Let the Games begin.

**Dr Moira Jenkins**  
Mayor, City of Victor Harbor

# PARTICIPANT HUB

Collect your packs and all the latest games information.

You'll find the team at Victor Harbor Visitor Centre housed in the beautiful heritage Railway Goods Shed located on Railway Terrace, next to Warland Reserve.

#### At the hub you'll be able to:

- Collect your Participant Packs
- Purchase your 2026 Games Merchandise
- Learn what's on, in, and around, Victor Harbor
- Sample, and purchase the specially crafted SA Masters Games Commemorative gin.

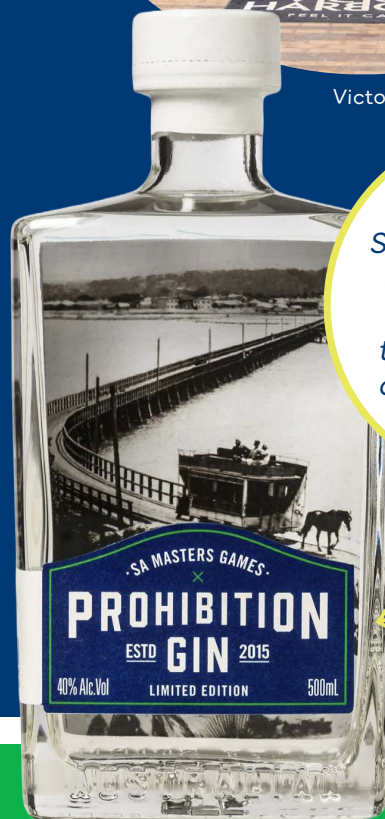

The team will be on-site from Tuesday 14 to Sunday 19 April, 10am-4pm

Mount Compass strawberries will bring brightness and generous fruit notes, lifted by native strawberry gum for aromatics, with fresh lime adding clarity and liveliness. Victor Harbor-sourced saltbush and coastal daisy bush introduce savoury, coastal complexity – with a touch of Murray River pink salt, making the palate particularly moreish.

Volunteering has always been the backbone of sport in South Australia. From local clubs to statewide events, nothing happens without people who choose to give their time, skills and passion simply because they care. These Masters Games are no exception.

Every venue set up, every registration desk, every result entered, every early morning start and late night pack down is **powered by volunteers** working incredibly hard, not for payment, but for pride in their community and love of the Games.

So as you compete, connect and celebrate, we ask you to join us in recognising the people who make all of this possible. Without our volunteers, there would simply be no Masters Games.

**To every volunteer: thank you.  
You are the heart of these Games.**

With thanks  
**Leah Cassidy** CEO, Sport SA
